REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION F
(ANNEX B)

1. These regulations must be observed when a dog is prepared for exhibition at a Show. When a dog is found to have been prepared for exhibition at a show in contravention of these regulations the exhibitor will be dealt with as if a complaint under Kennel Club Rule 42 has been lodged against them and proved to the satisfaction of the General Committee without prejudice to the right of the exhibitor to make representations to the General Committee in mitigation of the penalty to be imposed at the discretion of the General Committee under Rule 42. The dog will automatically be disqualified from exhibition at the Show and from any award gained thereat.
2. No substance which alters the natural colour, texture or body of the coat may be used in preparation of a dog for exhibition either before or at the Show. Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat of a dog at the time of exhibition.
3. No act or operation which alters the natural conformation of a dog or any part thereof may be performed and nothing may be done calculated in the opinion of the General Committee to deceive except -
 - A) Operations certified to the satisfaction of the General Committee.
 - B) The removal of dew claws of any breed.
 - C) The shortening of tails of customarily docked breeds.
 - D) Operations to prevent breeding providing that such operations are notified to the Kennel Club before neutered dogs are shown.
4. The General Committee without previous notice may order an examination of any dog at any Show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
5. An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may however, be lodged by an official of the show or anyone so deputed by the Kennel Club. It will be the responsibility of the person who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.

An objection by an individual related to an infringement of these regulations must be made in writing to the Show Secretary at his/her office before the close of the Show and the individual must produce evidence of identity at the time of lodging the complaint.

Judges Profile:

Darren Clarke

I have owned dogs all my life and have been involved with the show scene for over 30 years with my first Briard coming along in 1984. From just a handful of litters over the years I have bred Champions and General Championship Show Group winners in Briards including: Top Briard on a number of occasions and Crufts BOB on 3 occasions including a Group 3 in 2003.

I have also owned Champions in Pulis and Skye Terrier. I currently own and show a Puli (whom I have just made-up to a Champion.) a French Bulldog, Pug and a Great Dane.

I award CCs in Briards, Pulis, Border Collie and Australian Shepherd Dogs.

I have attained a KC Judges Development Programme (JDP) and attained a ' Breed Credit' for Bearded Collies and Swedish Vallhund and have passed the new KC 'Eye For A Dog' assessment. I judge all reeds, Groups and BIS at Open show level.

I have judged Club shows for Briard, Puli, Border Collie, Komondor, Lancashire Heeler, Polish Lowland Sheepdog , Shetland Sheepdog, Bernese Mountain Dog, Pyrenean Mountain Dog (NE), Rough Collie, OES, Smooth Collie and Dobermann and have invitations to judge Club shows for Norwegian Buhund and Great Dane.

I judged Briards at Crufts in 2016.

I am a KC member, Chief Steward for Richmond Ch show, Secretary of Crystal Palace Open show, Chief Steward for South Eastern Hound Club Premier Open show and serve on the British Briard Club committee and help run the breed seminars including sitting on the Judges sub-committee and have given breed lectures. I have recently been appointed the breed's Breed Education Co-ordinator.

PMD are among my very favourite breeds in the Pastoral Group. They are such an impressive livestock dog with an air of dignity and are always a pleasure to judge. I have judged them a number of times, including the NE PMD Club show, Ch Show (No CC) and in both Stakes and Variety classes. I attended the SE Club's breed seminar and passed both the written exam and hands-on assessment.

I am eagerly looking forward to this appointment and thank the Officers and Committee of the South Eastern PMD Club for the invitation.

Dogs in Cars on Hot Days.

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.

If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.

The vehicle should be as fully ventilated as possible and plenty of stops should be taken, with lots of water available to drink.

Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.

When at the show, never leave your dog in the vehicle.

Keep the dog in the shade—take your own shade, for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.

Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met and should not put a dog's health and welfare at risk by any action, default, omission or otherwise.

Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under kennel Club Rules and Regulations.

Right to Refuse Entries. Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

DOG FOULING: Exhibitors are reminded that it is their responsibility to clear up any fouling by their dogs. There will be a marked exercise area so please make use of it. Failure to clear up when requested to do so will be reported to the Kennel Club.

DEFINITION OF CLASSES

(The word “Dog” includes both sexes.) Puppies under 6 calendar months are not eligible for entry at this show. In the following definitions, a Challenge Certificate includes any Show award that counts towards the title of Champion under the rules of any governing body recognised by the Kennel Club.

Show awards issued by the Irish Kennel Club which counts towards the title of Champion shall be five point green stars or more. Wins at Championship Shows in breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows.

In the case of a dog owned in partnership and entered in Members classes or competing for Members Specials, each partner must, at the time of entry be a member of the Society. In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of entries i.e.13th MAY 2019, shall be counted when entering for a class.

Wins in Variety Classes do not count for entry in Breed Classes, but when entering in Variety Classes, wins in both Breed and Variety classes must be counted. A variety class is one in which more than one breed or variety of a breed can compete. A First prize does not include a Special Prize of whatever value.

(c) For any reason other than the above, the Show Secretary shall transfer it to the Open Class for the correct breed, colour, sex, weight and height.

If an exhibit arrives late and misses a class, even if this is the only class in which the dog is entered, the dog may **not** be transferred to any other class.
