HENRI REMY

I started breeding in Belgium in 1978, under the affix de la Griffie d'ours (Bear's signature). I did breed and present different dogs including 2 French champions Dagobert and Fanny de la Griffie d'Ours that were claimed champions in 6 european countries. I did sell puppies in different countries including Usa, Norway, Canada, and all european countries, even to Great Britain when the regulations to import were so difficult. Some of them became champions in their country.

At my highest level, I kept here 18 own-bred grown up dogs alive. I used to breed then 2 or 3 litters a year. In 2008 I stopped breeding for work and family reasons. I still keep two old pyreneans bred here. In the nineties, I passed my judge examinations and started judging. I only passed this for Pyrenean mountain dogs and did not want add another breed as judge. I had no time free to judge each weekend and also, not the envy. So I did judge mostly club matches in Belgium, Netherlands, Germany, Swiss, Italy, France, Sweden, Danemark, USA. As a breeder, I did focus on breeding true Pyreneans with the typical head and expression, trying the to add them volume, temperament, body conformation and typical Pyrenean powerful and majestic gait. As I do hope you will learn, the ideal pyrenean mountain dog exist in my brain, but was never found alive. The game is just to get as closer as possible.

This is why I am trying to help, while judging, breeders to come closer to this ideal.

Dogs in Cars on Hot Days.

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.

If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.

The vehicle should be as fully ventilated as possible and plenty of stops should be taken, with lots of water available to drink.

Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.

When at the show, never leave your dog in the vehicle.

Keep the dog in the shade—take your own shade, for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.

Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met and should not put a dog's health and welfare at risk by any action, default, omission or otherwise.

Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.

Right to Refuse Entries. Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

DOG FOULING: Exhibitors are reminded that it is their responsibility to clear up any fouling by their dogs. There will be a marked exercise area so please make use of it. Failure to clear up when requested to do so will be reported to the Kennel Club.
