**JUDGE: CLAIRE SHARP ( Afterglow ) C.V.**

I have been showing dogs since 1983 when I began Junior Handling. I was given my first dog- a GWP - when I was 13 years old and made him into a Full Champion with 6 Challenge Certificates and a Field Trial win. I stayed active in GWP's for 27 years breeding many CC and Field Trial / Working Test award winners. I have also co-owned a Full Champion GSP and have bred several Italian Spinone Show Champions including the breed's youngest ever title holder. I am passed to award CC's in GWP's and GSP's. I have long admired the PMD and was delighted to have been given the opportunity to judge the SEPMD's dog of the year competition back in 2012. I also passed the breed's judging assessment with flying colours.

I am extremely excited about judging your beautiful breed again at your club show.

exhibits declared Best of Sex provided they are unbeaten winning dogs. Reserve Best in Show must be selected from the Best Opposite Sex and Reserve Best of Sex to the exhibit declared Best in Show. The dogs declared Best in Show & Reserve Best in Show must not compete in any subsequent competition.

**Withdrawal from Other Competition**—Dogs which become eligible for Best in Show may be withdrawn from all other competition, other than Breed Classes, prior to the Competition for Best in Show as appropriate in order to remain unbeaten. A dog beaten in competition for Best in Show may subsequently be exhibited in all competition for which it was previously eligible. The Dogs declared Best in Show and Reserve Best in Show however, must not compete in any subsequent competition.

**Proviso** For the purposes of this regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team, or a Special Award confined to a single breed, will not be considered to be beaten dogs.

13. Exhibits will not be admitted to the Best in Show competition after a period of ten minutes has elapsed since the announcement that the exhibits are required for judging, unless they have been unavoidably delayed by previous judging not having been completed on time, and then only with special permission of the Show Management.

15. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) - Regulations for the Preparation of Dogs for Exhibition.

16. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.

17. The Committee will be empowered to exclude, or remove any dog which is not in a fit state for exhibition, either from illness, disease, vice, natural or other causes, and if such exclusion takes place either before or after judging the entry fee will be forfeited.

18. It should be distinctly understood by exhibitors and purchasers of dogs at the Show and all other persons that the Committee will not be responsible for the entire or partial loss or detention of, or damage to dogs or any other property, whether arising from accident or any other cause whatsoever, or from any act or omission of themselves, their officers, servants, agents and others. It is on this understanding only that entries are accepted.

19. Should the Judge be prevented from fulfilling his or her engagement, the Committee reserve the right to appoint another Judge or Judges in their place. Exhibitors may withdraw from competition but no entry fees can be returned.

20. No animal other than an exhibit duly entered at the Show will be allowed within the precincts of the Show during its continuance.

21. Should any question arise which is not provided for in these regulations the decision of the Committee shall be final, subject to appeal to the Kennel Club.

22. Any cost incurred from dishonoured cheques will be passed on to the exhibitor concerned.

23. All exhibitors are reminded that any dog present at the Show must be entered either in a class or not for competition. (Puppies over five months of age may be entered NFC). #### **Dogs in Cars on Hot Days.**

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.

If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.

The vehicle should be as fully ventilated as possible and plenty of stops should be taken, with lots of water available to drink.

Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.

When at the show, never leave your dog in the vehicle.

Keep the dog in the shade—take your own shade, for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.

Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated and this could lead to dire results. Please look after your dog's welfare.

**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met and should not put a dog's health and welfare at risk by any action, default, omission or otherwise.

Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under kennel Club Rules and Regulations.

Right to Refuse Entries. Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

**DOG FOULING: Exhibitors are reminded that it is their responsibility to clear up any fouling by their dogs. There will be a marked exercise area so please make use of it. Failure to clear up when requested to do so will be reported to the Kennel Club.**

#### **REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION F** **(ANNEX B)**

1. These regulations must be observed when a dog is prepared for exhibition at a Show. When a dog is found to have been prepared for exhibition at a show in contravention of these regulations the exhibitor will be dealt with as if a complaint under Kennel Club Rule 42 has been lodged against them and proved to the satisfaction of the General Committee without prejudice to the right of the exhibitor to make representations to the General Committee in mitigation of the penalty to be imposed at the discretion of the General Committee under Rule 42. The dog will automatically be disqualified from exhibition at the Show and from any award gained thereat.
2. No substance which alters the natural colour, texture or body of the coat may be used in preparation of a dog for exhibition either before or at the Show. Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat of a dog at the time of exhibition.
3. No act or operation which alters the natural conformation of a dog or any part thereof may be performed and nothing may be done calculated in the opinion of the General Committee to deceive except -
  - A) Operations certified to the satisfaction of the General Committee.
  - B) The removal of dew claws of any breed.
  - C) The shortening of tails of customarily docked breeds.
  - D) Operations to prevent breeding providing that such operations are notified to the Kennel Club before neutered dogs are shown.
4. The General Committee without previous notice may order an examination of any dog at any Show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
5. An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may however, be lodged by an official of the show or anyone so deputed by the Kennel Club. It will be the responsibility of the person who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.

An objection by an individual related to an infringement of these regulations must be made in writing to the Show Secretary at his/her office before the close of the Show and the individual must produce evidence of identity at the time of lodging the complaint.
