### **Dogs in Cars on Hot Days.**

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.

If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.

The vehicle should be as fully ventilated as possible and plenty of stops should be taken, with lots of water available to drink.

Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.

When at the show, never leave your dog in the vehicle.

Keep the dog in the shade—take your own shade, for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.

Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated and this could lead to dire results. Please look after your dog's welfare.

**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met and should not put a dog's health and welfare at risk by any action, default, omission or otherwise.

Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under kennel Club Rules and Regulations.

Right to Refuse Entries. Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

**DOG FOULING: Exhibitors are reminded that it is their responsibility to clear up any fouling by their dogs. There will be a marked exercise area so please make use of it. Failure to clear up when requested to do so will be reported to the Kennel Club.**

### **REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION F (ANNEX B)**

1. These regulations must be observed when a dog is prepared for exhibition at a Show. When a dog is found to have been prepared for exhibition at a show in contravention of these regulations the exhibitor will be dealt with as if a complaint under Kennel Club Rule 42 has been lodged against them and proved to the satisfaction of the General Committee without prejudice to the right of the exhibitor to make representations to the General Committee in mitigation of the penalty to be imposed at the discretion of the General Committee under Rule 42. The dog will automatically be disqualified from exhibition at the Show and from any award gained thereat.
2. No substance which alters the natural colour, texture or body of the coat may be used in preparation of a dog for exhibition either before or at the Show. Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat of a dog at the time of exhibition.
3. No act or operation which alters the natural conformation of a dog or any part thereof may be performed and nothing may be done calculated in the opinion of the General Committee to deceive except -
  - A) Operations certified to the satisfaction of the General Committee.
  - B) The removal of dew claws of any breed.
  - C) The shortening of tails of customarily docked breeds.
  - D) Operations to prevent breeding providing that such operations are notified to the Kennel Club before neutered dogs are shown.
4. The General Committee without previous notice may order an examination of any dog at any Show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
5. An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may however, be lodged by an official of the show or anyone so deputed by the Kennel Club. It will be the responsibility of the person who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.

An objection by an individual related to an infringement of these regulations must be made in writing to the Show Secretary at his/her office before the close of the Show and the individual must produce evidence of identity at the time of lodging the complaint.
